## Power distributor 32A Basic Line 65M-CE-00-1VAS

Power distributor dedicated for stage industry. Equipped with one, three-phase, 32A input and three-phase outputs, whose number and method of protection have been optimized for stage operation. Optional voltage and current measurement enables real-time power control. The use of many residual current devices guarantees both the safety of users and the stability of work, adapted to the current European guidelines.

Model:	65M-CE-00-1VAS
Nominal current:	32A
Input socket:	IEC 60309 (CEE 17) 3F+N+PE, 32A
Output sockets:	18x Schuko (CEE 7/3) 1x IEC 60309 (CEE 17) 3F+N+PE, 32A
Sockets protection:	18x B16A
Power indicator:	Voltage measurement of individual phases Current measurement of individual phases
Housing material:	Powder coated steel
Housing color:	Black
Housing format:	Rack 19", 7RU
Height:	397 mm
Width:	483 mm
Depth:	250 mm
Weight:	<30 kg
